

DAMAGE TO NEWTON REIGNY GUIDE POST.
LOCATED NEXT TO PHONE BOX.

Monday 17th April at 10am approx

The cast iron finger pointing towards Penrith was snapped off.
According to local information it is believed a Horse box was attempting to turn around at this location, and mounted the pavement thereby hitting the sign post.

The Police and Highways Authority have been informed with regard to this incident.

There is a crime reference number issued. – CP-20170418-0117
